

Integrated Mission System
Litigation Release 6.4.6 Memo
May 5th, 2014

ADD EVENTS

- A new event 'LCJ', Party Sanctioned, has been added under the Court Orders and Pleadings group, to be used when EEOC or a defendant obtains fees for discovery sanctions prior to case resolution, SCR 5602
- A new event 'LRC', Amended Consent Decree, has been added under the Resolutions group, to be used in Litigation cases where a Consent Decree has been previously issued. SCR 5604
- The maximum number of characters for narrative comments in the Add/Modify Event screen has been expanded to 4000 characters. SCR 5599
- A new event 'LRB', Fees to Defendant, has been added under the Resolutions group, and allows for the dollar amount to be entered in the Attribute area for this event. SCR 5603

REPORTS

- The button for the Fiscal Year drop down in the report facility for the Litigation 396 report is now working correctly. SCR 5578

ADD BENEFITS

- The spelling of the 'Seniority' check box under Non-Monetary Benefits has been corrected. SCR 5487
